● 25% Overall Similarity

The combined total of all matches, including overlapping sources, for each database.

- 16% Internet database
- 18% Publications database
- Crossref database
- Crossref Posted Content database
- 13% Submitted Works database

● Excluded from Similarity Report

- Bibliographic material
- Manually excluded text blocks

● **25% Overall Similarity**

Top sources found in the following databases:

- 16% Internet database
- Crossref database
- 13% Submitted Works database
- 18% Publications database
- Crossref Posted Content database

TOP SOURCES

The sources with the highest number of matches within the submission. Overlapping sources will not be displayed.
